THE BELLS OF LYNN.

When the eve is growing gray, and the tide roll-

ing in,

I sit and look across the bay to the bonny town of

LYNN.

And the fisherfolk are near;

But I wish they never hear

The songs that for bells make for me, the bonny

bells of LYNN.

The folks are chatting gay, and I hear their merry

din,

But I look and look across the bay to the bonny

town of LYNN.

He told me to wait here

Upon the old brown pier,

To wait and watch him coming when the tide was

rolling in.

Oh, I see him pulling strong, pulling o'er the bay

to me,

And I hear his jovial song, and his merry face I

see.

And now he's at the pier,

My bonnie love and dear!

And he's coming up the sea washed steps with

hands outstretched to me.

Oh, my love, your cheek is cold, and your hands

are stark and thin!

Oh, hear you not the bells of old, the bonny bells

of LYNN?

Oh, have you thought to say

Upon our wedding day

Love, hear not the wedding bells across the

bay of LYNN?

Oh, my love, speak to me and hold me fast,

mine own

For I fear this rising sea, and these winds and

waves that moan!

But never a word he said!

He is dead, my love is dead!

Ah,

CITY OFFICIAL PAPER.

LOCAL BRIEVITIES.

The Occidental is a popular resort. The Agua Caliente Springs Hotel is now open. The Occidental Hotel is a first-class resort. Schocken always has on hand fresh groceries. Go to the Union Hotel for first-class accommodations. R. D. Moore of the Occidental keeps a first-class house. Go to H. Weyl's for Star flour. The best in the market. The Occidental Hotel is fast becoming a popular place of resort. You can be accommodated at the Union Hotel according to your means. The traveling public praise the Occidental Hotel, R. D. Moore proprietor.

French prunes contracted for. To be delivered at railroad station. Address G. L. Chapman, Napa Fruit Dryer, Napa. Children's day will be observed in the Congregational Church next Sunday morning.

Rev. E. H. King of Napa will preach in the M. E. Church tomorrow (Sunday) in the evening. A. J. Van Every, Henry Weyl and Daniel Smith have been appointed appraisers of the estate of the late Gen. M. G. Vallejo.

A Grand Entertainment and Calico Ball will be given by the Native Daughters on July 4th at Union Hall. Further particulars next week.

A valuable stallion belonging to Basil Warfield was run over and killed by the Southern Pacific train near Drummond station on Thursday last week.

The Agua Caliente Springs Hotel having been enlarged and refurnished, is again running under the old management and the proprietor will be pleased to see and entertain all his old friends and as many new ones as may favor him with call.

Mr. A. A. Vallejo, teacher of Spanish and music, has been quite successful with his classes in this place. Hereafter he will teach at the residence of Mrs. Gen. Vallejo every Friday and Saturday evening. Young ladies who so desire will also be taught at the same place.

While working with his well boring machine at C. Aguilon's place, one day this week, L. L. Johnson had one of his fingers badly lacerated by the machinery. The wounded member was trimmed by Dr. Vance and no serious results are anticipated.

Following is the percentage received by the young lady graduates of the Sonoma Public School at their recent examination: Margaret Burke, 92 3/10; Mary Burke, 90 1/10; Zoe Clark, 88 6/10; Clara Cheney, 87 3/10; Florence Campbell, 87 2/10.

Friday of last week was a gala day for the school children at Agua Caliente. A fine ten-foot American flag was hung to the breeze over the school house on top of a new flag staff 53 feet in height. A large number of the parents and friends of the children were present to witness the ceremonies attending the raising of the flag. Singing, speech-making and general rejoicing made the day one never to be forgotten by the scholars and the good people of Agua Caliente school district.

An attachment was levied on C. J. Barta of the Union Hotel last Wednesday by Siebe Bros. & Plageman, wholesale liquor dealers of San Francisco, and H. Plageman, dealer in cigars in the same city, for \$333.50 for goods sold and delivered. The hotel, although in the hands of a keeper, is still being run by Mr. and Mrs. Barta who receive all moneys. It is thought that the suit will be settled out of the courts as the sum involved is very insignificant. The attachment suit was the outcome of a disagreement between Mr. Barta and the attaching parties, and not from any inability on his part to pay the bills.

The ten-year old son of J. B. Morris had a narrow escape last Saturday at Agua Caliente station. He was seated in a one-horse spring wagon when the animal became frightened and ran away. Master Morris was thrown from his seat and striking one of the wheels of the vehicle became entangled in the same and was dragged about thirty yards. He then dropped to the ground and eye-witnesses to the accident thought surely he was killed, but the youngster picked himself up none the worse for his perilous ride on the revolving wagon wheel. The horse continued on for a short distance when he kicked himself out of the wagon and galloped home.

Last Wednesday evening the ladies of the M. E. Church presented an excellent programme at their social in Union Hall, in which the following took part: The Misses Shaw, Prunty, Ella McIntyre, Mrs. Wm. Trudgen, Mrs. Weems, Fred Ehrlich, J. Carter, Jas. Weems, W. Thomas, Frank Weems and Alf. McLaughlin. After the literary programme had been carried out those present were invited by S. H. Shaw to patronize the ice cream and strawberry booths, which was done to a very liberal extent. This social was a success in every way.

ANOTHER IMPROVEMENT.

Tiven's Corner Purchased by the Sonoma Valley Bank.

An important real estate transaction took place last Thursday. Thos. Hopper and Jessie Barris, representing the Sonoma Valley Bank, purchased from John Tiven the lot on the corner of Napa and Broadway streets, 20x114 feet, the consideration being \$1,500. This figure does not represent the real value of the land, a valuable concession having been made by the seller in order to secure the location of the bank upon a portion of his property.

The plans for the new building which will be erected by the officials of the bank have already been prepared by T. J. Ludwig of Santa Rosa, and work upon the structure will be commenced immediately. The building, which is designed for the use of the bank exclusively, will be a very handsome one. It will be constructed of iron and brick and its interior furnishings will be in keeping with the external appearance of the building. Its size will be 20x70 feet.

A Reckless Engineer.

A party of ladies, while driving around the valley one day last week, had a narrow escape from being run down by the Southern Pacific train near Warfield station. The carriage was about to cross the track at that point when the train rounded the curve a few hundred yards distant. It was rushing along at a terrific rate of speed. The horses attached to the carriage refused to leave the track and became unmanageable. The driver, Chas. Just, seeing that unless the train was brought to a standstill the entire party would be doomed, frantically waved his hands and shouted to the engineer who was running the locomotive. His attention was attracted none too soon. The air brakes were applied and the train brought to a standstill within a few feet of the affrighted ladies. The same engineer, it is said, has run over and killed several people within the past two years and the number of horses and cows killed and maimed by him in this valley are legion. It may be that he is peculiarly unfortunate in meeting with these mishaps but it seems to us to be a case of extreme recklessness. Like the engineer who recently ran into the open drawbridge at Oakland, he appears to take too many chances where human life is at stake.

Dismissed.

The case against Thos. Moss, Jr., Frank Moss and Fred Foutte, residents of this place, who were arrested Monday and taken to Napa, charged with petty larceny, was dismissed in Justice Smith's court, Napa, on motion of the District Attorney, the complaining witness having come into court and acknowledged satisfaction. The defendants were charged with stealing a number of whiffle trees belonging to a Napa county Roadmaster.

A box of Ayer's Pills has saved many a fit of sickness. When a remedy does not happen to be within reach, people are liable to neglect slight ailments and, of course, if serious illness follows they have to suffer the consequences. "A stitch in time saves nine."

GLEN ELLEN GOSSIP.

P. Monahan has sold his wine and is shipping the same to San Francisco.

Ten families have pitched their tents here for the summer, and more are coming.

The Native Sons of Glen Ellen have concluded to give their first grand ball on Wednesday evening, June 25th.

Alfred Crofoot was taken suddenly ill last Friday with pains in the stomach, since which time he has improved but slightly.

The Supervisors were in town last week looking at the new iron bridge. We are not aware of the conclusions arrived at in regard to the structure.

A base-ball club was organized here last Monday with E. Chauvet as captain. A challenge has been forwarded to a neighboring club for a game in the Park next Sunday.

At a meeting of the Native Sons held last Saturday evening the following officers were elected: Chas. J. Poppe, President; J. H. Weisse, H. B. Cheney, Ben. Clawson, Vice Presidents; R. P. Hill, Recording and Financial Secretary; B. M. Bones, Treasurer; O. C. Weisse, Marshal.

We seldom go away from home for news, but fearing that the "Green Country Girl" may miss a good item, and one too good to lose, we cannot resist the temptation of enjoining upon her territory, Mr. Editor, and giving the same to your readers. Two San Francisco youths, now residing on the farm of A. D. Lowell, on the Napa road, were roped into a snipe hunt one night last week. August Marten, who engineered the scheme, after relating a number of dime novel yarns to the unsuspecting city youths, told them how snipe were caught in the marshes near Shellville with simply a sack and a lantern. It was then agreed by all concerned that a start for the tules would be made that very day. It was dusk when Goose Lake was reached and sack and lantern placed in position. The city youths were delegated to find the snipe and attend to the lantern which was to lure the game toward them. While young Marten was to beat the tules for the snipe. The latter, being of a roving disposition, went home and went to bed, and was soon sleeping the sleep of the unjust. The snipe-catchers, however, having great faith in their leader, stood guard over the sack which was to ensnare the snipe which never came, until 2 A. M., when the boys concluded that it was not a good night for snipe and slowly and sadly wended their way homeward. The night was dark and being unacquainted with the route in that section they naturally went blind and "Hilton" over wood and "Underwood" with the polar star as a guide, and ultimately reached home in a demoralized condition. One lad says Heaven is my home, and the other, we learn, has purchased a ticket for Alaska.

THE DRUMMOND ESTATE.

J. K. Luttrell Appointed Administrator--Bond \$32,000.

Capt. J. H. Drummond, who died very suddenly on his farm near Glen Ellen last December, left a valuable estate. The deceased, in his will, appointed Mrs. K. F. Warfield of Glen Ellen, Henry Perry, San Francisco, and David Drummond, Elizabeth H. Drummond, Patrick H. Drummond and Elizabeth Gann of Dublin, Ireland, executors and trustees without bonds. As the executors did not appear to act harmoniously, the widow, Mrs. Frances Drummond, commenced proceedings to have them removed, in which she was successful, and Public Administrator John Tiven of this place was placed in temporary charge of the estate. Last Monday the matter of appointing another administrator came up for a hearing before Judge Dougherty, with the result that ex-Congressman J. K. Luttrell of South Los Guilicos was appointed with bonds fixed at \$32,000.

The case will be appealed to the Supreme Court by Mrs. Warfield, who claims to have been unjustly removed as executrix of the estate.

Death of an Old Resident.

Theodore Welscholt, for many years a resident of Sonoma, died at his late residence on Spain street last Sunday. Deceased was taken ill the previous Saturday, having been seized with a stroke of apoplexy on that day while sitting in the Pioneer Saloon. Mr. Welscholt was a native of Germany and had reached the ripe age of 75 years. He leaves an aged widow and a large number of pioneer friends to mourn his loss. The funeral of deceased took place Tuesday, his remains being laid to rest in Mountain Cemetery.

The City Assessment Roll.

City Clerk Brietenbach closed his assessment books yesterday. The roll shows the amount of assessable property in Sonoma for 1890 to be \$333,060, as against \$391,351 in 1889, a falling off of \$58,298. We are unable to account for this, as many improvements have been made the past year. The assessment for 1889 was taken from Deputy County Assessor Tom Morris' books. This year the assessment was made by Deputy L. Litzius, who has lowered on some valuations and raised on others.

The Bear Flag Pole.

D. D. Davidson, President of the Pioneer Society, intends to make an effort to raise funds to purchase a new flag and steel halyards for the Bear Flag pole and have the staff newly painted. The move is a commendable one.

Star flour at Weyl's is only \$1.20 per sack, per barrel, \$1.75. Guaranteed.

A pleasant birthday party was given by Mr. and Mrs. J. B. Balger at their home in Agua Caliente, last Wednesday afternoon, in honor of the tenth anniversary of the birth of their son Clarence. A number of his little friends gathered at an early hour and engaged in playing games, swinging and general merry-making. Master Clarence was the recipient of many pretty presents, which will remind him in the days to come of his tenth birthday.

H. S. Hamilton arrived in Sonoma from England last Tuesday after an absence of several months. While in London an operation was performed on one of his eyes by Professor McHardie. Mr. Hamilton's brother is in delicate health at Agua Caliente, the home of Capt. and Mrs. H. E. Boys, but hopes that a sojourn in our genial valley will build him up and enable him to revisit England comfortably next spring.

Mrs. R. D. Moore of the Occidental Hotel gave a reception last Wednesday afternoon to a limited number of lady friends in honor of her friend and guest Mrs. Prof. Rousseau of Bakersfield, Kern county. The afternoon was very pleasantly spent in social converse and instrumental and vocal music. About five o'clock the ladies were invited to the large dining room, where delicate refreshments were served by the hostess. The table was laden with tempting delicacies and ornamented with lovely flowers. The menu was as follows: Fried chicken, cream sauce; peas, mashed potatoes, salad. Fruit-Cherries, currants; tea, coffee, nuts and pound cake. Dessert--Ice cream. At the plate of each lady was a beautiful hand-painted ivreen souvenir with her name neatly written thereon. After refreshments had been partaken the ladies repaired to the parlor, where the pleasures of the afternoon were renewed until six o'clock, when all bid the hostess good-bye, with the thought that others ought to emulate the example of Mrs. Moore in giving these pleasant afternoon socials.

The Occidental Hotel, under the management of Mr. H. D. Moore and his estimable wife, is growing in popularity every day.

THE SUMMIT JOINT SCHOOL.

An Enjoyable Picnic--Endorsement of a Popular Teacher.

One of the most enjoyable picnics ever held in this section took place in Nunn canyon last Saturday. The children, parents and friends of the Summit Joint, Los Guilicos and Dunbar school districts met on that day on one of the most picturesque picnic grounds that it has ever been our good fortune to visit. Clustered in the beautiful dells and vales of these school districts are many well cultivated farms and happy homes, peopled by an unusual intelligent and industrious class of farmers, who, notwithstanding that they are somewhat isolated from the older and more populous districts, are not wanting in educational facilities. It was these farmers and their wives who congregated in Nunn canyon to give the teachers and children a day's outing in the health-giving ozone and amid the foliage, ferns, wild flowers and ice-cold springs of the Sonoma Valley hills. The picnic was largely attended and at an early hour in the day ex-Congressman Luttrell, who has always taken a lively interest in the cause of education up that way, was chosen master of ceremonies by unanimous consent. After a sumptuous repast had been partaken by the happy picnickers, Mr. Luttrell called the assembly to order and stated that the parents and friends of the Summit Joint school district had delegated him to present to the teacher of their school, Miss Emily Kurtz, a handsome gold ring as a token of their appreciation of her services as a teacher in the school the past five years. After the presentation had been made Miss Kurtz acknowledged the gift in a modest and becoming manner. Both Mr. Luttrell and the young lady were heartily applauded by all present.

The following resolutions were then offered by Jacob Fridiger, the newly-elected Trustee of the Summit Joint district, which were adopted by a unanimous vote:

Whereas, Miss Emily Kurtz has been employed about five years as teacher of the Summit Joint public school and has faithfully performed her duties as such teacher, and she has been faithful, industrious and kind in the discharge of her manifold duties; that she is one of the best and most faithful teachers ever employed in this district. Therefore be it

Resolved, That the thanks of the patrons of the Summit Joint public school be extended to Miss Kurtz for the faithful manner in which she has served the patrons of the district.

H. C. Lafferty then offered the following resolutions which were also unanimously adopted:

Resolved, That the thanks of the patrons of the Summit Joint public school be extended to Mr. Anson Wright for the five years faithful service rendered the district as School Trustee.

After the reading of the foregoing resolutions, dancing, singing and speech-making were indulged in until a late hour in the afternoon when those present dispersed to their respective homes highly pleased with the day's outing.

One of value. The children, who have been lost, came to Bath with Dr. William Drummond. The children remained in Bath for over a year, then went back to France, leaving a medalion in Capt. Drummond's care. Some years afterward Capt. Drummond received a letter from the girl asking that the picture be sent to Paris to him. Dr. Isaac Haley, of this city, was commissioned by Capt. Drummond to convey the medalion to Paris.

When Dr. Cummings arrived there the city was again in confusion and he did not find the owner. He then obtained the picture and brought it to Portland. He returned it to Capt. Drummond, first having a facsimile copy of it made by the artist's permission. The original is supposed to be in the possession of Capt. Drummond's daughter, who is a member of some religious institution in France, near Paris. The copy kept by Dr. Cummings for thirty years or more, and was then given him by William H. Green, of this city's express, in this city, who still has possession of it.

The daguerotype is as perfect as the original, and shows not a sign of fading. The original may not be true, or it may possibly have been altered to the French government by the artist.

It has been noticed for some time that a certain Washington bootblack was more prosperous than his fellows. He loathed less on the street corners. He seemed always to be going somewhere; he was always busy.

"That's a secret," the little African-American would remark when his competitors asked him how he got so much work.

It was useless for them to follow him. They could not get his formula.
